2. Registration

- You can register online for a specific course at www.ISCD.org under "Upcoming Courses". **NOTE: The deadline for online registration is 3 days prior to the course.**
- You can register via mail by completing and returning the form with payment. Check, Visa, MasterCard and American Express are accepted. The deadline for pre-registration via mail is **March 1, 2010**. Full payment must accompany the registration (U.S. Dollars Only) Registrations are not accepted over the phone.
- Course fee includes course materials which you will receive onsite.
- Have any special physical needs? Let us know by calling (860) 586-7563 ext 583
NOTE: Additional fee applies for onsite registration. See course fees.

3. Registration Confirmation

Registration confirmation will be emailed 30 days prior to the course. Contact the ISCD office if you have not received written confirmation at least seven (7) days prior to the course date. **If your registration is received after the pre-registration deadline, you will receive your confirmation onsite.**

4. ISCD Member Benefits

ISCD members save on registrations for all ISCD programs. Join now and register for the Pedi BDC Course at the Member rate. Visit our Web site at www.ISCD.org for membership qualifications and benefits. ISCD members receive official ISCD publications - Journal of Clinical Densitometry (optional at some levels), SCAN (quarterly newsletter), an invitation to the ISCD Annual

Meeting, and industry updates. The membership year is January 1 to December 31 and dues **are not** prorated. To join simply select your level of membership on the course registration and include the membership fees with your payment.

5. Course Changes or Cancellations

ISCD reserves the right to cancel the program, change dates and/or meeting location. Every effort is made to maintain the program as indicated on the schedule. If a program is cancelled all program fees will automatically be refunded unless the registered participant elects to transfer to another program. (See **Transfers** section for specific details and information.) The registered participant will be notified by ISCD based on information from the submitted Registration Form.

6. Travel Cancellations Disclaimer

ISCD does not assume responsibility for registrants' travel or hotel expenses. Travel cancellations are subject to the terms and fees applicable to the agreements made by the registrants directly with the hotel, airline or other party at the time of booking. ISCD recommends that travel arrangements be made no sooner than 30 days prior to the program date.

7. Cancellation/Transfers/Refunds

Cancellations and transfers must be received by ISCD **in writing.**

- Cancellations received 30 days or more before the course are subject to a \$25 cancellation fee. Any cancellation received after the 30-day date is subject to a \$75 fee. No refund will be issued for cancellations received less than six (6) days before the course date. All requests **must** be in writing.
- Transfers to another course must be made at least 14 days before the course and is subject to program availability. All requests **must** be in writing and must include a \$25 administrative fee.
- "No shows" will not receive a refund or be eligible to transfer.

8. Disclaimer

The information and suggestions presented at the courses, seminars and other programs sponsored by ISCD and other collaborating societies are subject to change and therefore should serve only as a foundation for further investigation and study.

Any forms presented at our seminars or programs are samples only and are not necessarily authoritative. All information, procedures and forms contained or used in such seminars or programs should serve only as a guide for use in specific situations.

9. Target Audience

Both activities are open to clinicians, technologists, scientists, researchers, and healthcare providers who wish to learn more about pediatric densitometry.

10. Activity Objectives

Pediatric Bone Densitometry Course

After attending the course, participants should be better prepared to:

- Discuss the definition of “osteoporosis” in children and adolescents
- Recognize “risk groups” of children in a pediatric practice who are at risk for developing early bone loss and osteoporosis
- Consider issues that arise in the assessment of skeletal health in children with chronic disease
- Review recommendations for reporting bone densitometry results in pediatric patients and appropriate adjustments for bone size, bone age, and puberty
- Review measurement tools outside of DXA for acquiring bone density assessments (e.g., pQCT, ultrasound)

11. Accreditation Statement

The International Society for Clinical Densitometry is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to offer continuing medical education for physicians.

12. Credit Designation

Pediatric Bone Densitometry Course

The International Society for Clinical Densitometry designates the Pediatric Bone Densitometry Course for a maximum of *4.0 AMA PRA Category 1 Credit(s)*[™] Physicians should only claim credits

commensurate with the extent of their participation in the activity.

13. CE Credit

Technologist Course: The course qualifies for 4 category A credits through the ASRT. Technologists must sign in and out to verify attendance and receive credit. Partial credit will not be given.

14. Policy on Commercial Support and Conflict of Interest

The ISCD maintains a policy on the use of commercial support, which ensures that all educational activities sponsored by the ISCD provide in-depth presentations that are fair, balanced, independent and scientifically rigorous. All faculty and planners are required to complete a Conflict of Interest form. This information will be made available through syllabus materials.

15. On-Site Registration/Sign In

Pediatric Bone Densitometry Course

Date: Wednesday – March 10, 2010
