We are delighted to invite you to join us at the IOF-ISCD Skeletal Health Orlando 2014 meeting to be held at the Buena Vista Palace Hotel & Spa, Orlando, Florida – USA on February 20-22, 2014.

This joint Meeting by IOF and ISCD is held in partnership with IOF members in the region: Osteoporosis Canada (OC), California Hispanic Osteoporosis Foundation (CHOF), Osteometabolic Brazilian Orthopedic Association (ABOOM), Brazilian Association of Bone Assessment and Metabolism (ABRASSO), Mexican Association of Bone and Mineral Metabolism (AMMOM).

2014 is a very special year as it marks ISCD’s 20th Anniversary and IOF’s first North American Regional Meeting. We plan to make this a memorable joint event and look forward to seeing you in Orlando!

The Scientific Program Committee has developed a rich program to provide Clinicians, Technologists and Researchers with state-of-the-art knowledge and skills needed to optimally identify and manage their patients. A faculty of world-renowned experts will deliver oral presentations and Meet-the-Expert sessions to provide knowledge of relevance to everyday clinical practice.

The International Society for Clinical Densitometry (ISCD) is well known for its leadership in educating professionals in the assessment of skeletal health and management of osteoporosis. We welcome all professionals, from those involved in performing and/or interpreting DXA to those who refer patients with skeletal health concerns for evaluation. Our membership comprises a broad spectrum of professionals from Radiology, Rheumatology, Internal Medicine, Obstetrics/Gynecology, Endocrinology and Family Practice. ISCD Technologists, Researchers and Clinicians are globally recognized for their work and dedication to skeletal health assessment. Our Annual Meeting showcases the talent, resources and worldwide network of ISCD.

The International Osteoporosis Foundation (IOF), based in Switzerland, is the world’s largest nongovernmental organization dedicated to the prevention, diagnosis and treatment of osteoporosis and related musculoskeletal diseases. IOF’s membership includes scientific researchers, leading companies, and more than 200 patient, medical and research societies from all regions of the world. Through its science and research programs, publications, global scientific meetings, health professional training, advocacy initiatives, and public outreach campaigns such as World Osteoporosis Day, IOF works to make bone, joint and muscle health a worldwide health care priority.

We encourage you to register early to take advantage of the low rates available for the meeting and for lodging. Check out the preliminary program schedule. Please encourage your staff and colleagues to attend this key event.

SCIENTIFIC COMMITTEE
MEETING AND CONFERENCE OBJECTIVES

To provide clinicians, technologists and researchers with state of the art knowledge and skills needed to optimally identify and manage patient care. Specifically, by the end of the program, attendees will be able to:

1. Analyze the latest emerging treatments available for patients with Osteoporosis

2. Apply clinical tools and resources to optimize osteoporosis management, with understanding of the latest developments in fracture risk assessment tools, pharmacological and non-pharmacological therapies, and treatment-related issues such as rare serious side effects and drug holidays.

3. Practice improved communication skills between Technologist and Physician

4. Understand the techniques involved in obtaining quality bone mass assessments and how poorly obtained measurements and inaccurate interpretation negatively impacts clinical care.

5. Review and incorporate into practice the revised ISCD Official Positions regarding Pediatrics, Total Body Composition, DXA, Vertebral Fracture and Utilization of Normative Databases

6. Assess the role of sarcopenia, frailty and body composition in the clinical setting.

KEY THEMES

- Latest developments in fracture risk assessment tools, pharmacological and non-pharmacological therapies, and treatment-related issues
- Role of sarcopenia, frailty and body composition in the clinical setting
- Latest techniques involved in obtaining quality bone mass assessments
- Latest in secondary fracture prevention
- Osteoporosis in the Americas
MEET-THE-EXPERT SESSIONS
Case-based discussions on special issues related to skeletal health designed for smaller audiences.

IOF-ISCD YOUNG INVESTIGATOR AWARD
IOF & ISCD are dedicated to advancing scientific knowledge of the assessment, diagnosis and treatment of osteoporosis, and in particular to encouraging young researchers in all parts of the world to focus on this important area of research. As a sign of this commitment, IOF & ISCD are offering an award of 1 000 USD to the top five ranked abstracts submitted by young investigators (40 years or under). The recipients will be awarded 1 000 USD and will be invited to present their work at a special session on Friday February 21, 2014.

EXHIBIT AND NETWORK CENTER
Visit the Exhibit and Network Center to learn about the latest industry advancements, network with colleagues and exhibitors during breakfasts and coffee breaks, get answers to your questions and find out what’s new in the field. The Exhibit and Network Center will be located in the Great Hall Center, on the first level of the hotel – join us there for the Welcome Reception Thursday night!

ABSTRACTS
View accepted abstract posters in the Exhibit and Network Center. Abstracts selected for oral presentation will be featured in a special session on Friday, February 21, 2014.

OFFICE HOURS
Bring your challenging cases to our experts! Our expert Clinicians will advise on clinically related issues and on patient specific cases. You may bring scans for review.

ISCD BUSINESS MEETING
Please note that the ISCD Business Meeting will be held on Friday, February 21 at 7:00 AM. Voting in the ISCD Business Meeting is reserved to ISCD members only. The meeting itself is open to all registered attendees.

PRE-MEETING COURSES
The following flagship courses are offered prior to the IOF-ISCD Skeletal Health Orlando 2014. Please refer to the ISCD website, www.iscd.org for more information.

Osteoporosis: Essentials of Densitometry, Diagnosis and Management
An international course of the IOF and ISCD. Courses available for Clinicians and Technologists. Tuesday (8:00 am – 6:00 pm) & Wednesday (8:00 am – 12:30 pm), February 18–19, 2014

DXA Body Composition Analysis
Monday (1:00 – 6:00 pm), February 17, 2014

Vertebral Fracture Assessment
Wednesday (2:00 – 6:00 pm), February 19, 2014

Pediatric Bone Densitometry
Wednesday (2:00 – 6:00 pm), February 19, 2014
### Thursday, February 20, 2014

FRIDAY, FEBRUARY 21, 2014

7:00 AM  Networking Breakfast
          ISCD Business meeting

8:30 AM  MEET-THE-EXPERTS
         - Glucocorticoid-induced Osteoporosis: a case-based discussion on diagnosis and management
         - Clinical Conundrums: a discussion of challenging disease management
         - Case-Based DXA Interpretation for Clinicians
         - Selected DXA Publications from 2013

9:30 AM  Concurrent Sessions
         - Oral presentations selected from abstracts
         - GE Software Applications and Features: A case-based demonstration

10:30 AM Break

11:00 AM Concurrent Sessions
         - Non-Pharmacological Skeletal Therapeutics: Vitamin D, nutrition and exercise
         - Sarcopenia and Frailty
         - Hologic Software Application and Features: A case-based demonstration

12:00 PM Break

12:30 PM MEET-THE-EXPERTS
         - Obesity and Fracture: the crosstalk between fat and bone
         - Selecting the Appropriate Therapy to Treat Osteoporosis
         - Interpreting Body Composition in the Clinical Setting
         - Clinical Conditions Associated with Osteoporosis and its Treatment: What a technologist should know
         Office hours

1:30 PM  Concurrent Sessions
         - Body Composition Analysis
         - Poster Viewing

2:30 PM  Concurrent Sessions
         Position Development Conference
         - ISCD Official Positions: a case-based application of the new 2013 positions
         - ISCD Body Composition Positions: a case-based application of 2013 positions
         - ISCD Pediatric Positions: a case-based application of the 2013 positions
         Secondary Fracture Prevention: Where we are
         - Capture the Fracture, a Worldwide Initiative to Prevent the Second Fracture
         - North American Trends in Fracture Prevention
         - Latin America Fracture Liaison Service

4:00 PM  Break

4:30 PM  Concurrent Sessions
         - IOF-ISCD Young Investigator Awards
         - DXA Scans for Clinical Practice: What interpreters need from technologists
### Regional Panels
- Networking breakfast
- Office hours

#### 8:30 AM
**MEET-THE-EXPERTS**
- Obesity and Fracture: the crosstalk between fat and bone
- Selecting the Appropriate Therapy to Treat Osteoporosis
- Interpreting Body Composition in the Clinical Setting
- Clinical Conditions Associated with Osteoporosis and its Treatment: What a technologist should know

#### 9:30 AM
**Concurrent Sessions**
- What's New Regarding ONJ and Atypical Femur Fracture: how to communicate the real risk to your patients?
- Drug Holidays: Myth, reality and uncertainty

#### 10:00 AM
**PLENARY: SKELETAL ASSESSMENT**
- What's New in Skeletal Assessment and Fracture Prediction
- Vertebral Fracture Assessment in Clinical Care, an Underutilized Tool

---

Check the meeting website for updates on the program at [www.iof-iscd-meeting.org](http://www.iof-iscd-meeting.org).

---

### CREDIT DESIGNATION
ISCD designates this live educational activity for an anticipated 19+ AMA PRA Category 1 Credit(s)™. Physicians should only claim credits commensurate with the extent of their participation in the activity.

### ACCREDITATION STATEMENT
ISCD is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to offer continuing medical education for physicians.

### CE CREDIT
ISCD and IOF are applying to the ASRT for Category A continuing education credits. Technologists will need to check in and out of every session to verify attendance and receive credit. Partial credit will not be given to any session.

Through an agreement between the American Medical Association and the European Union of Medical Specialists, physicians may convert AMA PRA Category 1 Credits™ to an equivalent number of EACCME credits. Information on the process to convert AMA credit to EACCME credit can be found at [www.ama-assn.org/go/internationalcme](http://www.ama-assn.org/go/internationalcme) or contact accreditation@uems.net.
**GENERAL INFORMATION**

**REGISTRATION**
- Online: www.iof-iscd-meeting.org/registration
- Fax: complete and return the enclosed form via fax (+1 860 259 1030)
- Mail: 101 Centerpoint Drive, Suite 208 Middletown, CT 06457 USA
- Email: registration@iscd.org

Registration Inquiries: T +1 860 259 1000 • registration@iscd.org

**REGISTRATION DEADLINES**
- Early: October 1, 2013 – December 12, 2013
- Registration: December 13, 2013– February 5, 2014
- Late: February 6, 2014 – February 19, 2014
- On-site: February 20-22, 2014

**ATTENDEE REGISTRATION INCLUDES**
- Access to all educational sessions (anticipated 19+ CME/CE hours)
- Access to poster sessions and Exhibit and Network Center
- Welcome Reception on Thursday evening
- Light Breakfast on Thursday, Friday and Saturday
- Coffee Breaks on Thursday, Friday and Saturday
- A copy of the Program book
- A conference bag containing official Meeting material and Meeting badge
- A copy of Osteoporosis International supplement

Guest registration is open only to those who accompany a registered attendee and does not entitle the guest to attend general sessions or concurrent sessions. A guest registrant only has access to the Exhibit and Network Center and the Welcome Reception. Guest registration fee is 75 USD.

**ATTENDEE CANCELLATION / REFUND POLICY**
Registrations cancelled on or before midnight February 5, 2014 are entitled to a refund, less a 75 USD processing fee. Cancellations received after February 5, 2014 are non-refundable. All cancellations must be received in writing and all refunds will be processed after the meeting.

**SUBSTITUTION OR TRANSFER OF REGISTRATION**
An administrative fee of 50 USD per badge will be charged for a badge name change after December 12, 2013. Written permission from the original participant will be required, along with full contact details of the substitution.
YOUR DESTINATION
Orlando is a destination rich in history and culture. In Orlando, The Wells’ Built Museum of African American History preserves Central Florida’s unique African-American history and heritage through tours of the museum and South Street Casino. The casino, which served as one of the first entertainment venues for African-Americans in Orlando, was part of the world-renowned Chitlin’ Circuit and home to famous performers like B.B. King, Louis Armstrong, Ray Charles, Duke Ellington and Ella Fitzgerald. The Charles Hosmer Morse Museum of American Art houses the largest collection of Tiffany glass from the artist’s renowned stained glass windows to his famous lamps.

Orlando has been hosting millions of visitors a year for decades, so it has lots of experience in how to treat guests and make them feel welcome.

HOW TO GET THERE
Getting to Orlando is quick and easy with an ever-growing list of non-stop routes to Orlando International Airport (MCO). Travel by car is also convenient with a number of major highways flowing into Central Florida and throughout the rest of the state.

TRAVEL CANCELLATIONS DISCLAIMER
IOF and ISCD do not assume responsibility for registrants’ travel or hotel expenses. IOF and ISCD recommend that transportation arrangements be made no sooner than 21 days before the start date of your event.

AIRPORT TRANSPORTATION
The Buena Vista Palace Hotel & Spa does not provide an airport shuttle service.

ALTERNATE TRANSPORTATION OPTIONS
- Local bus – It will take approx. 40 minutes - 2 USD for each destination – visit www.golynx.com for more details
- Shuttle vans - Mears Transportation Group T +1 407 423-5566: fee and reservation required
- Taxi: Several companies are available at airport

YOUR HOTEL
IOF-ISCD Skeletal Health Meeting will be held at the contemporary Buena Vista Palace Hotel & Spa in the heart of Orlando, Florida, USA. Buena Vista Palace is an official Walt Disney World® Resort, offering totally refurbished accommodations, a majestic new lobby and unsurpassed hospitality.

Buena Vista Palace Hotel & Spa
1900 Buena Vista Drive
Lake Buena Vista, FL 32830
T +1 407 827 2727
www.buenavistapalace.com

We have secured a group rate of 165 USD for Single/Double occupancy, subject to state and local taxes (respectively 6.5% and 6%). Tax rates subject to change without notice. Reservations are made on a first-come, first-served basis and before January 27, 2014. Attendees are requested to book their accommodation through the meeting website (www.iof-iscd-meeting.org/orlando-2014/accommodation) or the Central Reservation line at +1 866 397 6516 and identify themselves as ISCD-IOF Joint meeting attendees.
IOF ISCD Skeletal Health
Orlando
February 20-22, 2014
