The International Society for Clinical Densitometry is pleased to announce the 19th Annual Meeting and Position Development Conference March 20-23, 2013 in Tampa, Florida

The 2013 Program Chairs of the ISCD 19th Annual Meeting are excited to bring you the preliminary information on plans for the upcoming scientific meeting: Practical Approach to Skeletal Health Management: Carrying the Partnership Forward. This year’s meeting demonstrates how ISCD represents the best and the future in skeletal health assessment. In addition to an impressive schedule of outstanding speakers, this pivotal meeting also will host the next Position Development Conference (PDC). Attendees at this meeting will have the opportunity, at no additional cost, to participate in the public sessions of the PDC. This is a unique chance to lend your voice to the formulation of the Official Positions of ISCD. The three topics under development are:

- Body Composition Analysis using DXA
- Indications for Dxa in Women Younger than 65 and Men Younger than 70 and Indications for VFA
- Use of Updated NHANES Reference Databases for Both Spine and Hip DXA

Tampa, Florida will welcome ISCD March 20 – 23, 2013 at the Tampa Marriott Waterside Hotel and Marina. The ISCD Annual Meeting’s educational sessions and specialty workshops, abstracts, challenging case presentations and discussion groups provide multiple learning opportunities about new developments in the field of skeletal health and osteoporosis management. The Exhibit and Networking Center will once again host the Opening Reception and Silent Auction on Wednesday, as well as continental breakfast and coffee breaks on both Thursday and Friday. Abstracts and Clinical Cases also will be highlighted in this same location. The Exhibitors provide a valuable resource regarding new technologies, equipment, products, and services. Their participation rounds out the attendee’s experience and makes our meeting comprehensive in its coverage on cutting edge technology and science.

The International Society for Clinical Densitometry is well known for its leadership in educating professionals in assessing skeletal health and managing osteoporosis. We welcome all related professionals, those who image, read, interpret, and refer patients with skeletal health issues or concerns. Our membership comprises a spectrum of medical professionals from Radiology, Rheumatology, Internal Medicine, Obstetrics/Gynecology, Endocrinology and Family Practice. ISCD Technologists, Researchers and Clinicians are globally recognized for their work and dedication to skeletal health assessment. Our Annual Meeting showcases the talent, resources and extended network of ISCD.

We encourage you to register early to take advantage of the lower rates available for the meeting and for lodging. Check out the preliminary program schedule. Encourage your staff and colleagues to attend the entire meeting.

See you in Tampa!

Christine Simonelli, M.D.   Lisa King, RT(R)(M)(BD), CBDT
Program Chairs
MEETING OBJECTIVES
To provide physicians, technologists and researchers with state of the art knowledge and skills needed to optimally identify and manage osteoporosis patients. To provide a public forum in which topics of the Position Development Conference can be widely discussed. Specifically, by the end of the program, attendees will be able to:

1. Identify use of DXA for patients with secondary causes of osteoporosis to better understand the subtleties of diagnosis, resulting treatment and management.
2. Understand the impact of poorly obtained bone mass assessments and inaccurate interpretations negatively impact patient care.
3. Decrease fracture risk through use of DXA in the treatment and management of at-risk patients.
4. Authoritatively address the controversies addressed in the PDC: Indications for VFA, Use of Updated NHANES Reference Databases and Body Composition Analysis Using DXA.
5. Apply clinical tools and resources to optimize diagnosis, treatment and management of osteoporosis.
6. Establish stronger working relationships with other partners engaged in providing quality patient care.
7. Evaluate existing and new pharmaceutical and non-pharmaceutical treatment / management options.

POSITION DEVELOPMENT CONFERENCE (PDC)
PDC topics are selected for presentation based on clinical relevance, current lack of guidelines and likelihood of achieving agreement. The process utilizes the RAND/UCLA Appropriateness Method (RAM), combining available scientific evidence with the collective judgment of experts to arrive at a position of consensus. Once a topic is identified by members of ISCD’s Scientific Advisory Committee, a task force discovers the available research on the topic, forming a framework of points to be addressed. These findings are then publically presented to an international expert panel. Following the public presentation, the expert panel crafts the document that is in turn recommended to the ISCD Board of Directors before being adopted as new Official Positions. For more information, on this process, please refer to the ISCD Annual Meeting website.

MEET THE PROFESSOR SESSIONS
Case-based Discussions on Special Issues related to Skeletal Health designed for smaller audiences.

CASE-BASED WORKSHOPS
Limited seating available in these hands-on computer workshops in the ISCD DXA Lab. Faculty walk through cases while attendees utilize the software to gain confidence and skill in how to use the software.

- Basic DXA
- Advanced DXA
- Total Body Composition
- Patient Positioning

EXHIBIT and NETWORK CENTER
Visit the Exhibit and Network Center to learn about the latest industry advancements, network with colleagues and exhibitors during breakfast and coffee breaks, get answers to your questions and find out what’s new in the field. The Exhibit and Network Center will be located in the Salon F of the Grand Ballroom, on the second level of the hotel – join us there for the Opening Reception & Silent Auction Wednesday night! Be sure to come to the Center for breakfast, coffee breaks and afternoon snack!

ABSTRACTS & CLINICAL CASES
View accepted abstracts and clinical case posters in the Exhibit and Networking Center. Abstracts and Clinical Cases selected for oral presentation will be featured in a special session on Thursday.

OFFICE HOURS
Bring your challenging cases to our experts! Our expert Clinicians will advise on clinically related issues and on patient specific cases. You may bring scans for review.

ISCD BUSINESS MEETING
Please note that we have changed the time of the ISCD Business Meeting to Friday morning.

Pre-Meeting Courses
The following flagship ISCD courses are offered prior to our Annual Meeting. Please refer to the ISCD website, www.ISCD.org, for more information.

Osteoporosis: Essentials of Densitometry, Diagnosis and Management
An international course of the ISCD and IOF
Monday/Tuesday March 18 – 19, 2013

Vertebral Fracture Assessment
Tuesday afternoon, March 19, 2013

Pediatric Bone Densitometry
Tuesday afternoon, March 19, 2013

DXA Body Composition Analysis
Wednesday morning, March 20, 2013

### Credit Designation:
The International Society for Clinical Densitometry designates this live educational activity for an anticipated 20+ AMA PRA Category 1 Credit(s)™. Physicians should only claim credits commensurate with the extent of their participation in the activity.

### Accreditation Statement:
The International Society for Clinical Densitometry is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to offer continuing medical education for physicians.

### CE Credit:
ISCD is applying to the ASRT for Category A continuing education credits. Technologists will need to sign in and out of every session to verify attendance and receive credit. Partial credit will not be given to any session.

Your Destination

Get ready to warm up to Tampa! There’s a sunny side to this West Coast community that makes this a true hot spot among the world’s destinations for any visitor. Naturally there’s lots of water, sand and sunshine. But during your visit you’ll also discover an area that’s alive with the arts, seriously sports-minded, always planning a party or parade, and filled with only-in-Tampa places to go, things to do and sights to see. Whatever your pleasure, you’ll find it in Tampa, FL!

Tampa’s semi-tropical climate invites you to enjoy the great outdoors year-round. And the people are every bit as warm as the temperatures. An inherent Southern charm makes anyone who visits Tampa feel welcome and right at home.

How to get there

Tampa is located on the central west coast of Florida, and is easily reached by air and several major highways. Nestled in the heart of the exciting west shore district, the award-winning Tampa International Airport is located just seven miles from downtown.

Airport Transportation

The Marriott does not provide an airport shuttle service. Alternate transportation options are:

- **SuperShuttle:** fee and reservation required — call (800) BLUE VAN (800-258-3826)

- **Taxi fare:** estimated US $25 one way (subject to change without notice)

Travel Cancellations Disclaimer

ISCD does not assume responsibility for registrants’ travel or hotel expenses. ISCD recommends that travel arrangements be made no sooner than 21 days before the start date of your event.

YOUR HOTEL

**Tampa Marriott Waterside and Marina** in Tampa, Florida is host to the ISCD 2013 Annual Meeting and Position Development Conference. The deadline to reserve your room at the ISCD rate is February 25, 2013. Make your reservation soon by calling 1-813-221-4900 or click through the ISCD 2013 Annual Meeting website to “Hotel & Travel”. Be sure to identify yourself as an ISCD attendee to receive the discounted room rate of $199 per night. The hotel’s address is:

700 South Florida Avenue
Tampa, Florida 33602

A striking silhouette along the Channel Riverwalk, **Tampa Marriott Waterside Hotel and Marina**, near Ybor City, overlooks Tampa Bay in the heart of Downtown Tampa. Part of the Channelside District, the Tampa Marriott is among the most luxurious of hotels in Tampa, Florida, with newly renovated rooms and suites offering private bay or city view balconies. After a busy day, unwind in one of the hotel’s lounges or enjoy culinary excellence at Il Terrazzo. For ultimate relaxation, try our spa, jacuzzi, or rooftop pool! Boaters can dock and stay using the 32-slip, full-service Marina at the exclusive Tampa Marriott Waterside Hotel and Marina.

Questions about Registration or Exhibiting?

Call or Email: 860.259.1000 • annualmeeting@iscd.org
Registration

Please visit the ISCD website at www.ISCD.org to register on-line, or complete and return the enclosed form via fax (860.259.1030) or mail: 306 Industrial Park Road, Suite 208 Middletown, CT 06457 USA.

Registration Deadlines

Early: November 15 − midnight December 26, 2012
Regular: December 27, 2012 − midnight March 14, 2013
Late: March 15 − midnight March 19, 2013
On-site: March 20 − March 23, 2013

Attendee Registration includes:

- Access to all educational sessions (anticipated 20+ CME/CE hours)
- Access to Exhibit and Networking Center
- Access to public sessions of the Position Development Conference
- Opening Reception on Wednesday evening and participation in the Silent Auction
- Networking Breakfast provided on Thursday morning, in the Exhibit and Networking Center
- ISCD Business Meeting and Breakfast on Friday morning
- Coffee Breaks on Thursday, Friday and Saturday mornings
- Coffee and Snack Break on Thursday and Friday afternoons

Individuals who apply for ISCD membership prior to or at the time of registering for the Annual Meeting are eligible for a meeting discount. For more information on becoming an ISCD member, please visit the website at www.ISCD.org.

Guest registration is open only to those who accompany a registered attendee and does not entitle the guest to attend general sessions or concurrent sessions. A guest registrant only has access to the Exhibit and Network Center and the Opening Reception. Guest registration fee is $50.00.

ATTENDEE CANCELLATION / REFUND POLICY

Registrations cancelled on or before midnight March 5, 2013 are entitled to a refund, less a $75 processing fee. Cancellations received after March 5, 2013 are non-refundable. All cancellations must be received in writing and all refunds will be processed after the meeting.

Exhibitor Information

The ISCD Annual Meeting and Position Development Conference welcomes the participation of our corporate partners in the Exhibit and Network Center. Please go to the Exhibitor’s Section of the Annual Meeting website for more information on our plans for this year and how to register as an Exhibitor.

Exhibitor Schedule

Wednesday, March 20 ........................................... 8:00 AM - 7:30 PM
Install Exhibits .................................................. 8:00 AM - 4:00 PM
Opening Reception* ........................................... 6:00 PM - 7:30 PM
Thursday, March 21 ............................................. 8:00 AM - 5:00 PM
Networking Breakfast* ..................................... 8:00 AM - 9:00 AM
Coffee Break – Abstracts* ................................. 10:30 AM - 11:30 AM
Break (lunch on own)* ....................................... 1:00 PM - 2:30 PM
Coffee Break* .................................................. 4:30 PM - 5:00 PM
Friday, March 22 ................................................... 8:00 AM - 2:00 PM
Breakfast / Business Meeting* ....................... 8:00 AM - 9:00 AM
Coffee Break – Abstracts* ................................. 10:30 AM - 11:30 AM
Break (lunch on own)* ....................................... 12:30 PM - 2:00 PM
Dismantle Exhibits ............................................ 3:00 PM - 6:00 PM

* Exhibits must be staffed at all times during these time periods.

Please visit the ISCD website at www.ISCD.org to find further information on becoming an Exhibitor or a Sponsor at the ISCD 19th Annual Meeting.
